Well done class 1!

Healthy School

We are working towards becoming a healthy school.

As part of our work towards 'Healthy Schools Status', we will be a sugar/sweet-free school as much as is possible.

In some classes, sweets/chocolate were given as a reward to those children who went 'above and beyond', this will no longer be the case. Instead, pupils will now be rewarded with non-food items such as rubbers, pencils and pencil sharpeners.

This will also include the break time 'snacks' which children bring in. Children are very welcome to bring in fruit, cereal bars (non-chocolate), savoury rice cakes, raisin boxes or fruit winder-type snacks. (Please note: fruit is already provided for ALL children in school at break times.)

Any chocolate, biscuits, cookies, sweets or crisps that are brought as snacks will no longer be allowed and children will be asked to leave them in their bags to take home at the end of the day.

Thank you for your co-operation.

SSF Fundraising

Thanks to everyone who helped on film night and to those who bought tickets. We raised a total of £64 for school fund. Since the start of the school year, money raised by such events has been spent on subsidising coach travel to the panto, providing a coach to UCLan and some gym bags for our football team.

Reminder

School finishes at 3:15pm for children in classes 1&2 and 3:20pm for children in class 3&4.

Please ensure you are on the playground ready to collect your child at this time.

We regularly have children left at the end of the school day.

It is very difficult for staff who may have meetings, training or after school clubs to get to at the end of the day.
